DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This $2\frac{1}{2}$ story common bond brick building is located in the center of the block and has a very high sloped roof. The entire facade seems very recent in date.

There is a stock "Colonial" door with an "x" panel below and nine small panes of glass on its upper panel. It is flanked by flat fluted pilasters and a plain lintel with a top molding. The shop window, of three panes of glass has a brick sill and lintel.

On the second floor are 2 brick silled windows, the one to the right is 6 - over 6 double hung, the one to the left has been boarded up and has an air conditioner. There is a plain molding at the edge of the shingled roof.
